Sir,

I enclose a petition from the widow of late Hukki Imam, who was till lately a peon in the Department serving under the Health Inspector, Hadagalli. He was from all account an ideal peon. He served the department from 8-2-25 to 5-2-37 when he died leaving a young-widow of ¹⁸ years and a son by the 1st wife aged 10 years. The family is in straightened circumstances. ~~XXXXXXXXXX~~ I strongly recommend her case for any gratuity which you might be pleased to grant or recommend to the Government.

the Health Inspector,

Respected Sir,

I most respectfully beg to
submit this application for ~~gratuity~~
gratuity with full hope that, in recogni-
of the faithful services rendered by my
late husband and the helpless state in which
I am left now, it will meet with your
sympathetic consideration.

My husband was a permanent
peon in your department for nearly two
years and prior to it had acted in the
Revenue Department for nearly three
years. He has served all along to the

entire satisfaction of his superiors and
unmindful of his ~~own~~ personal comforts
and sufferings. I beg to add that the
fever which proved fatal was contracted
while he was on duty at Sogi Jatra.

I pray to lay before you
the helpless condition in which I am left
now. My husband possessed no property
and with his scanty earnings had to
maintain himself, myself, and a son
by the first wife aged ten, besides a widowed
sister solely dependent on him, and as
such could lay by nothing. During the
last one week of trial, with the hope
of saving him not only the little that
we could call our own was spent away
but also we had to run into debts.
To my great misfortune and shock he
is lost at an early age of thirty two leaving
us destitute. He has not made any
provision by way of insurance or contri-
bution to any fund. It is now left
to me only to pray to Heaven and
you to show me and the minor 'how'.

ways of pulling on the fine days. The
boy is below ten. Studying in the school
and incapable of earning anything; am
being a mohammedan by caste, aged
only eighteen and all the while supported
by the husband, & I am not accustomed
to any out-door service. My father is a
pelly-finner who can hardly maintain
his family, and is absolutely incapable
of rendering any help to me. To sum
|| I have nothing to fall back upon and
none to count upon ~~except~~ except you

Therefore I most respectfully
pray that this pitiful cry of the destitute
widow of one of your dutiful servants
will emphatically appeal to your noble heart
and procure a generous gratuity for me
and the minor boy.

I beg to remain,
Respected Sir,
your most humble Servant

Service till the afternoon of 5. 2. 1937 on which date he passed away due to an attack of bronchial pneumonia. During the period he was in service, he was a very obedient and dutiful and hardworking subordinate. His untimely and unexpected calamity, has driven his young widow, minor son and widowed sister into untold misery. He contracted the disease while he was in active service, and as such I strongly recommend that his helpless widow is given the benefit of gratuity.

 The applicant is the real heir. The facts
 mentioned in the petition are quite
 true, she has no means of livelihood
 and has absolutely no property movable
 or immovable. The rights out of pity have
 given her a hut to live in. Only such of
 the costly work which can be done inside
 the house for example curing Tamarind
 she does when it is obtainable. If I mean
 the deceased was considered an ideal
 honest and popular person in Haregally.
 The nomination for the first wife Karan,
 is under her protection. Gradually he will be
 given to have her from Haregally.

Instructions for filling up Form No. F.R. 9-A.

1. The account is to be maintained in terms of leave on average pay. For this purpose, actual periods of leave taken on half or quarter average pay as entered in column 13 should be divided by two and posted in column 14.

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (b) (ii) (1) should be given in column 4 and column 6 and that under Rule 77 (b) (ii) (2) and Rule 77 (c) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (i) (a), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4, or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a servant of a local body applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the local body served under and the period of duty up to the date preceding that on which the servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$ th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (i.e., $\frac{1}{11}$ th of duty earned under Rule 77 (b) (ii) (3)). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

NOTE 1.—If during the period of duty prior to a servant's going on leave he has served under two or more local bodies the period of duty and the leave earned under each local body should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

NOTE 2.—The sum total of the entries in column 3, inclusive of the opening entry mentioned in instruction No. 2, should not exceed $2\frac{1}{2}$ years [Rule 81 (a) (ii)], and no entry should be made in this column when this limit of $2\frac{1}{2}$ years is reached.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted in terms of leave on average pay [but see Rule 81 (d)] to a servant of a local body on the date on which he intends to go on leave. The *maximum* amount of leave on average pay which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (b).

4. When an officer returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of "one year" is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 83) and overstayal of leave (vide Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

NOTE 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of 'plus on year' from Rule 81 (b) (ii) should be entered in column 11.

NOTE 2.—Under Fundamental Rule 80, the amount of leave due is the balance at credit in the Leave account, i.e. in column 18. Leave not due may be granted only if this is nil or a minus quantity—vide Fundamental Rule 81 (c). The leave salary will, in that case, be half average pay—vide Fundamental Rule 87 (b). Thus the grant of leave not due affects columns 14, 17 and 18 only. If at the same time there is a plus figure in column 16, this balance of leave on average pay is suspended, not wiped out. When leave again becomes due under the operation of Fundamental Rules 7 and 81 (e), this balance shown in column 16 is revived again to the extent of the balance of leave due.

5. The total period of leave in terms of leave on average pay taken in a servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules *plus* all periods of leave subsequently entered in the column *plus* $2\frac{1}{2}$ years.

6. When a servant of a local body is transferred to service under another local body a separate account should be opened in this form for showing the leave earned under that local body and the leave the cost of which is debited to that local body. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.
